## Work History

2018-  
Current

### Senior Business Analyst

Evalueserve, Gurugram, Haryana

Evalueserve is a global service provider for a number of Fortune 1000 companies that specializes in Market and Strategic Intelligence, Rapid Research Support, Deals, M&A, and Corporate Finance Support. My core role is supporting investment bankers in several M&A strategies.

**Key focus:** Preparation of pitch books (including detailed company profiles, industry analysis benchmarking and share price performance), Company comparable analysis, transaction analysis, Evolution of industry/peers valuation multiples, possible buyer/seller opportunities.

**In addition, entrusted with** time sensitive projects for end to end deliver and client support.

- **Pitchbooks:** Created pitchbooks for 300+ global companies after understanding the business model, go to market strategy, key financials and competitors to support bankers in deal initiation.
- **Company comparable analysis:** Created relative valuation models for public companies and maintained on a weekly to understand change in enterprise value & support deal execution.
- **Possible buyer and seller opportunities:** Assist bankers in finding a possible buyers based on specification set provided through industry research
- **Training:** Have conducted on-the-job and off-the-job training sessions of new joiners and team members and responsible of managing 3 FTE's directly including deliveries, quality check and appraisals

Awarded with "You make a difference" certificate for contribution in H1 2021

2017-18

### Executive

Diwaan Advisory Pvt Ltd, Noida, UP

Diwaan Advisory is a boutique Corporate-Finance Advisory firm offering bespoke services with a significant focus on domestic and in-bound M&A.

As a part of my engagement, I was responsible for assisting our clients in every step from making teasers and pitch decks to valuating the clients, making valuation reports and finding suitable suitors for them.

- Successfully closed 1 Private Equity Deal with concentration on every minor step from making **Pitch Deck**, **Teaser**, Performing suitable Financial Valuation Methods such as- **DCF & NAV**, finding interested suitors for client and coordinating the legal due diligence for both the clients.

2016-17

### Management Trainee

Mazars Advisory Pvt Ltd, Gurugram, Haryana

Worked with Mazars (Corporate Finance) in a team of 5 which was involved in **Direct Client interface** and **End to End M&A Advisory**. My engagement primarily involved **Industry Research**, creating **Teasers** and **Information Memorandum** for clients, Valuating acquisition opportunity and contacting suitable suitors for client.
